- Chrome plated finish helps with wear resistance
- Ratchet handle supports faster tightening and loosening
- Organized holder keeps sockets visible and accessible
- Useful for automotive, workshop and household repairs
- Compact setup helps with storage and transport

Key Features

- 22-Piece Versatility — Combines a ratchet and a practical spread of sockets for everyday maintenance, assembly and repair work.
- Metric and Imperial Coverage — Covers 10 to 19 mm and 5/16 in. to 7/8 in. sizes, helping you tackle different fastener standards with one set.
- Chrome Vanadium Build — Made from chrome vanadium for strength and durability during repeated fastening and loosening tasks.
- Chrome Plated Finish — The chrome plated surface helps keep the set easy to clean while supporting long-term workshop use.
- Organized Portable Layout — The holder shown keeps sockets arranged by size, making selection quicker and storage more convenient.
