

KSEIBI 1/2 in. Drive Hexagon Socket & Ratchet Set, 22-Piece

Metric and SAE coverage in one compact set

Kseibi · 101815

Highlights

- 22-piece 1/2 in. drive socket and ratchet set
- Covers 10-19 mm socket sizes
- Includes SAE sizes from 3/8 in. to 15/16 in.
- Chrome vanadium construction for durability
- Chrome plated finish for added surface protection
- Hexagon sockets for secure everyday fastening
- Comfort-grip ratchet handle for better control
- Organized holder keeps sockets easy to access
- Useful for garage, workshop and maintenance tasks
- Combines metric and SAE sizes in one kit

Key Features

- Dual size coverage — Includes both metric and SAE socket sizes, covering 10 to 19 mm and 3/8 in. to 15/16 in. for wider day-to-day versatility.
- Chrome vanadium build — Sockets are made from chrome vanadium to provide the strength needed for regular fastening and removal work.
- Chrome plated finish — The chrome plated surface helps protect the tools and keeps them easier to wipe clean after use.
- Included ratchet — Comes with a 1/2 in. drive ratchet so you can get straight to repair, servicing and installation tasks.
- Compact organized storage — Sockets are arranged on a visible holder to help keep the set tidy, portable and quicker to select from.
