- Covers sizes from 8 mm to 24 mm
- Made from chrome vanadium steel
- Mirror finish for easy clean-up
- Open end for quick fastener placement
- Ring end helps provide a secure grip
- Cloth bag keeps wrenches organized
- Roll-up pouch stores compactly
- Size-marked slots aid fast selection
- Suitable for garage and workshop tasks

Key Features

- 14-piece metric range — Includes 14 combination wrenches covering sizes from 8 mm to 24 mm for common maintenance and repair jobs.
- Chrome vanadium construction — Made from chrome vanadium steel to provide the strength and durability needed for regular workshop use.
- Combination wrench design — Each wrench features an open end and a ring end so you can switch between quick access and a more secure hold.
- Mirror surface finish — The mirror finish gives the set a clean appearance and makes it easier to wipe away dirt and grease after use.
- Cloth storage bag — Supplied in a cloth bag that keeps each wrench in place, visible, and easier to carry or store between jobs.
