

Kseibi 6-Way Leather Punch Tool

Six punch options in one hand tool

Kseibi · 141890

Highlights

- 6-way punch head for multiple hole options
- Designed for leather and similar punchable materials
- Rotating wheel makes size selection quick
- Plier-style hand tool for controlled punching
- Chrome finish for a clean, durable surface
- Useful for belts, straps, bands, and repairs
- One compact tool replaces multiple single punches
- Suitable for craft, DIY, and workshop tasks
- Manual operation for simple, reliable use
- Supplied in blister card packing

Key Features

- 6-way rotating punch head — Six integrated punch options let you handle different hole requirements with one tool, reducing interruptions and tool changes.
- Chrome-finished construction — The chrome finish provides a clean exterior surface suited to regular handling in workshops, repair benches, and craft spaces.
- Plier-style leverage — The familiar hand-squeeze design helps you apply controlled force for more confident punching on leather items and straps.
- Made for repair and adjustment work — Ideal for adding or adjusting holes in belts, straps, bands, and other leather goods where neat, consistent results matter.
- Compact all-in-one tool — Combining multiple punch choices in a single tool saves space in your toolbox and keeps everyday leatherworking tasks simple.
