Everyday DIY essentials in one case

Kseibi · 145070

Highlights

- 42-piece set for everyday home DIY tasks
- Supplied in a hard plastic storage case
- Compact carry case keeps tools organised
- Includes a mix of tools for common repairs
- Suitable for assembly, adjustment and upkeep
- Easy to store in cupboards, shelves or car boot
- Portable case with built-in carry handle
- Visible tool layout helps quick selection
- Useful starter set for new homes or flats
- Orange and black design is easy to spot

Key Features

- 42-piece home kit — A practical selection of tools and accessories for routine household repairs, adjustments and basic DIY jobs.
- Hard plastic case — The set comes packed in a durable plastic case that helps protect tools and keeps everything together.
- Organised storage — Moulded compartments keep each item in place, making tools easier to find, carry and put away after use.
- Versatile tool mix — The image shows a range of commonly used hand tools such as hammer, pliers, screwdrivers, hex keys and accessories.
- Ready for everyday fixes — Ideal for furniture assembly, hanging items, minor adjustments, opening packages and general home maintenance.
