

KSEIBI 1/4" x 75mm Magnetic Bit Holder Handle

Magnetic control for everyday fastening

Kseibi · 151475

Highlights

- 1/4" x 75 mm size suits common insert bits
- Magnetic holder helps keep bits securely seated
- CR-V construction for dependable everyday use
- Chrome-plated shaft for a clean, durable finish
- Two-color handle improves grip and visibility
- Black TPR grip zones support secure handling
- Compact length helps with controlled fastening
- Manual bit driving for assembly and repair tasks
- Suitable for workshop, site and home maintenance
- Slim shaft profile helps access tighter spaces

Key Features

- Magnetic Bit Retention — Designed to hold compatible bits more securely, helping reduce slips during fastening and making bit changes quick and convenient.
- CR-V Shaft — Made from CR-V for reliable strength and durability in regular hand-tool applications.
- Chrome-Plated Finish — The chrome-plated surface gives the shaft a clean, durable finish suited to repeated use.
- Comfort Grip Handle — The orange and black plastic-coated handle with black TPR sections is shaped for confident grip and better turning control.
- Compact 75 mm Reach — The 1/4" x 75 mm size offers practical access and maneuverability for general assembly, fitting and maintenance work.
