Kseibi · 153645

Highlights

- 5-piece set for common fastening tasks
- Includes slotted and Phillips screwdrivers
- Chrome vanadium construction for durability
- Black finish magnetic tips help hold screws
- Textured handles support a secure grip
- Good control for repair and maintenance work
- Suitable for workshop, site or home use
- Helps reduce dropped screws during assembly
- Practical core set for everyday toolkits
- Supplied in box packing

Key Features

- 5-piece mixed set — Covers essential slotted and Phillips screwdriving needs for everyday repair, fitting and maintenance tasks.
- Chrome vanadium build — Made from chrome vanadium for dependable strength and durability under regular use.
- Magnetic black finish tips — Magnetic tips help hold screws in place for easier starting, better control and fewer dropped fasteners.
- Comfort-grip handles — The contoured, textured handles shown are designed to support grip and control while turning.
- Versatile everyday use — A practical choice for household jobs, workshop tasks, installations and general maintenance work.
