

# KSEIBI 960 VDE Insulated Screwdriver Set, 6 Piece

Insulated control for everyday electrical work

Kseibi · 153665

## Highlights

- 6-piece insulated screwdriver set
- Made from chrome vanadium
- Black finish magnetic tips
- Bright red insulated shafts and handles
- Comfort-shaped handles for grip
- Flared guard helps hand control
- Useful mix for service and repair work
- Easy to spot in a toolbox or on site
- Supplied in box packing
- Suitable for electrical and general fastening tasks

## Key Features

- Chrome Vanadium Build — Made from chrome vanadium for reliable strength and durability in regular professional and workshop use.
- Magnetic Black-Finish Tips — Black finish magnetic tips help hold screws in place for easier starting and steadier fastening.
- Insulated Construction — Insulated shafts and handles support work where insulated hand tools are required.
- Comfort Grip Handles — The shaped handle design gives a secure, comfortable grip for improved control during repeated use.
- 6-Piece Set Convenience — A practical 6-piece assortment covers a range of common screwdriver tasks in one boxed set.
