

Kseibi 33-Piece Chrome Vanadium Screwdriver Bit Set

33 Pieces of Everyday Fastening Coverage

Kseibi · 181779

Highlights

- 33-piece set for common fastening tasks
- Includes 60 mm magnetic bit holder
- Chrome vanadium bit construction
- Stain finish for a work-ready surface
- Covers slotted, Phillips, Torx, Hex and Pozidriv
- Compact tray keeps bits organized
- Useful for assembly, maintenance and repair
- Magnetic holder helps secure screwdriving
- Easy to store in a toolbox or drawer
- Supplied in blister card packing

Key Features

- Versatile 33-piece assortment — Includes a broad selection of slotted, Phillips, Torx, Hex and Pozidriv bits to cover many routine fastening jobs.
- 60 mm magnetic bit holder — The included magnetic holder helps keep bits and screws better controlled during use and supports faster bit changes.
- Chrome vanadium build — Made from chrome vanadium for dependable strength and durability in regular workshop, site and home applications.
- Organized compact storage — The tray-style holder shown in the image keeps bits neatly arranged, easy to identify and convenient to store.
- Ready for varied repair work — A practical choice for furniture assembly, hardware installation, general maintenance and everyday screwdriving tasks.
