

Kseibi 9-Piece Long SAE Hex Key Wrench Set

Long reach for hard-to-access fasteners

Kseibi · 201670

Highlights

- 9-piece SAE hex key set
- Size range from 1/16 in. to 3/8 in.
- Long-arm design for extra reach
- Chrome vanadium steel construction
- Chrome-plated surface finish
- Helps access recessed fasteners
- Compact holder keeps keys organized
- Dual-end L-shape for versatile use
- Suitable for garage, workshop and home repair
- Quick size selection from one holder

Key Features

- Long-arm access — The extended arm helps you reach socket head fasteners in deeper or more awkward positions.
- Chrome vanadium build — Made from chrome vanadium steel for dependable strength and durability in repeated fastening work.
- Chrome-plated finish — The chrome-plated surface adds protection and helps the keys stand up to everyday workshop use.
- Useful SAE size coverage — Includes 9 SAE hex keys covering sizes from 1/16 in. to 3/8 in. for a wide range of tasks.
- Organized storage holder — A compact holder keeps the keys together, easier to store and faster to sort through on the job.
