

Kseibi 9-Piece Short Torx Key Wrench Set T10-T50

Compact Torx power, ready to grab

Kseibi · 201720

Highlights

- 9-piece Torx key set covering T10 to T50
- Made from durable chrome vanadium steel
- Chrome-plated finish for a clean, hard-wearing surface
- Short-arm design suits compact work areas
- L-key shape offers controlled hand torque
- Fits star-drive fasteners for maintenance and repair tasks
- Supplied in a molded storage holder
- Visible size markings help quick identification
- Keeps keys together for tidy storage and transport
- Suitable for workshop, garage and household use

Key Features

- 9-piece Torx coverage — Includes a practical range from T10 to T50 for common star-drive fastening jobs.
- Chrome vanadium construction — Built from chrome vanadium steel for dependable strength in regular professional and DIY use.
- Chrome-plated finish — The chrome-plated surface provides a clean look and adds everyday durability.
- Short-arm key design — Compact L-shaped keys are easier to handle where space is limited and control matters.
- Organized holder — The included holder keeps all 9 keys together and helps you find the required size quickly.
