

KSEIBI Long Tamperproof Star Key Wrench Set, 9 Piece T10-T50

Long-reach keys for tamperproof star fasteners

Kseibi · 201730

Highlights

- 9-piece tamperproof star key set
- Size range covers T10 to T50
- Long-arm design helps reach recessed screws
- Made from chrome vanadium
- Chrome-plated surface finish
- Suitable for tamper-resistant star fasteners
- Helps improve access in tight spaces
- Includes holder for organized storage
- Useful for workshop, garage and maintenance tasks
- Designed for controlled turning and leverage

Key Features

- Tamperproof star fit — Designed for security-style star fasteners with a center pin, making it the right choice where standard star keys cannot engage.
- Long-arm reach — The extended key length helps access recessed or awkwardly positioned fasteners while offering better leverage during use.
- 9-piece coverage — Includes a practical range from T10 to T50, giving you commonly needed sizes in one organized set.
- Chrome vanadium build — Manufactured from chrome vanadium for dependable strength suited to regular repair, maintenance and assembly work.
- Chrome-plated finish — The chrome-plated surface provides a clean, durable finish and a professional look that matches workshop use.
