Kseibi · 211465

Highlights

- 24 LED torch with 40 lumen light output
- Magnetic design supports hands-free use
- Durable ABS material construction
- Slim handheld shape for easy control
- Ideal for garage, workshop and home tasks
- Powered by 3xAA batteries
- Batteries not included
- Orange switch is easy to spot
- Black and orange two-tone finish
- Supplied in blister card packing

Key Features

- 24 LED Light Panel — The front panel uses 24 LEDs to provide 40 lumens of practical light for close-up work, inspections and everyday tasks.
- Magnetic Convenience — Magnetic functionality helps position the torch on suitable metal surfaces for more convenient hands-free lighting.
- ABS Body — Made from ABS material, the torch offers a durable and lightweight build suited to regular use around the home or workshop.
- Easy Battery Power — Runs on 3xAA batteries, giving you a simple and widely available power source without the need for charging equipment.
- Visible Two-Tone Design — The black body with orange inner layer and orange switch is easy to identify quickly in toolboxes, drawers and work areas.
