Key Features

- Seven-drawer organisation — The cabinet includes seven drawers, helping you separate tools, parts and accessories into a tidy, easy-to-manage storage system.
- Two drawer depths — Five shallow drawers and two deeper drawers give you the flexibility to store both slim hand tools and bulkier workshop items.
- Workshop-friendly footprint — At 850 x 460 x 800 mm, this cabinet offers useful storage capacity while fitting neatly into garages, service bays and work areas.
- Easy to move — Four castor wheels and a side handle make it easier to reposition the cabinet wherever tools are needed most.
- Secure storage — A fitted lock helps keep your tools protected when the cabinet is unattended or stored between jobs.
