- ABS construction for practical everyday use
- Steel locks for secure closure
- Black tray included for smaller items
- Orange and black two-tone finish
- Helps separate tools by task or size
- Suitable for workshop, garage or van use
- Easy way to organize hand tools and fixings
- Matching set creates a consistent storage system

Key Features

- Three-box storage system — The set includes 13", 16.5" and 19" tool boxes so you can organize tools and accessories by size, task or frequency of use.
- ABS construction — Each toolbox is made from ABS, offering a practical storage solution for everyday DIY, maintenance and workshop needs.
- Steel locking latches — Steel locks provide a firm, dependable closure to help keep contents contained during storage and transport.
- Included organizer tray — A black tray is included in the box to keep smaller tools, parts and accessories more accessible and better arranged.
- High-visibility two-tone design — The orange lid with black case creates a clear, professional look that stands out in busy work areas and storage spaces.
