

KSEIBI Canvas Hand Tool Bag 16.5 in

Everyday tool storage made portable

Kseibi · 221615

Highlights

- 16.5 in tool bag for everyday hand tool transport
- Canvas-style soft bag for flexible, practical storage
- Wide zip opening helps you access tools quickly
- Twin webbing handles provide easy carrying
- External front pockets keep essentials close
- Compact shape fits neatly in vans and workshops
- Grey and black finish with orange accent trim
- Suitable for tradespeople, installers and DIY use
- Main compartment helps keep tools together
- Designed for convenient on-the-go organisation

Key Features

- Useful 16.5 in size — Sized for carrying a core set of hand tools while remaining practical for everyday transport and storage.
- Wide-opening zipped top — The large zip opening makes it easier to load tools, see contents and grab what you need quickly.
- External pocket storage — Front outer pockets provide handy space for frequently used items that need to stay within easy reach.
- Twin carry handles — Strong webbing-style handles offer a straightforward, comfortable way to lift and move the bag.
- Job-ready fabric construction — The canvas-style design combines flexible storage with a structured shape suited to workshop, van or site use.
