Kseibi · 221625

Highlights

- Durable 600D construction for everyday jobsite use
- Closed-top zip design helps keep tools contained
- 17" size suits general-purpose tool kits
- Dual carry handles with padded hand grip
- Adjustable shoulder strap for easier transport
- Padded shoulder section adds carrying comfort
- External pockets keep essentials close at hand
- Gray and black finish with orange trim accents
- Soft-sided design stores easily in van or workshop
- Suitable for trade work, maintenance and DIY use

Key Features

- 600D Durable Material — Made from 600D material to provide dependable everyday durability for carrying tools and jobsite essentials.
- Closed-Top Zip Opening — The zipped closed-top design helps keep tools more secure, contained and cleaner during transport and storage.
- Comfortable Carry Options — Use the dual handles with padded grip for quick lifting or the shoulder strap for hands-free carrying between tasks.
- Quick-Access Outer Pockets — Outer storage pockets make it easier to keep smaller items and frequently used tools within easy reach.
- Practical 17 Inch Format — The 17 inch size offers a useful balance of storage capacity and portability for everyday professional or home use.
