

KSEIBI 600D Electrician's Tool Pouch

Built for fast access on the job

Kseibi · 222025

Highlights

- ❑ Made from durable 600D fabric
- ❑ Designed for electricians and service work
- ❑ Multiple pockets keep tools organised
- ❑ Front pouch for quick-access essentials
- ❑ Side compartments help separate hand tools
- ❑ Waist strap with buckle for wearable carry
- ❑ Reinforced stitching supports daily use
- ❑ Riveted stress points add durability
- ❑ Black and gray fabric with orange stitching
- ❑ Compact format keeps core tools close

Key Features

- ❑ Durable 600D Construction — Made from 600D fabric to stand up to regular jobsite use and everyday carrying.
- ❑ Organised Pocket Layout — Multiple visible compartments help keep hand tools, testers and small accessories sorted and easy to reach.
- ❑ Wearable Waist Carry — An integrated strap and buckle let you carry the pouch at your waist for mobile working convenience.
- ❑ Reinforced High-Stress Areas — Visible rivets and reinforced stitching support the areas that see repeated movement and load.
- ❑ Trade-Focused Design — Compact, practical storage helps electricians keep core tools close during installations, maintenance and callouts.
