- Front webbing sections add handy storage space
- Suitable for jobsite, workshop and DIY tasks
- Helps reduce time spent setting tools down
- Professional look with visible Kseibi branding
- Supplied in hanging card packing

Key Features

- 600D Fabric Construction — Built from durable 600D material for dependable everyday use in demanding work environments.
- Secure Retention Strap — An adjustable buckle strap helps keep the drill in place while moving around the job.
- Quick-Access Holster Shape — The contoured design makes it easier to store and retrieve your drill during repetitive tasks.
- Extra Front Storage — Webbing-style front sections provide convenient space for small accessories or commonly used items.
- Professional Finish — Black and gray fabric with orange stitching delivers a smart, trade-ready appearance.
