Key Features

- Compact 4in Size — The 4 inch (100 mm) width is well suited to smaller surfaces, narrow sections and areas where larger rollers are less convenient.
- Blended Fabric Cover — Made from blended fabric to support consistent paint pickup and release during everyday decorating work.
- Polyester and Acrylic Fibres — The cover combines polyester and acrylic materials for a practical balance of usability and durability.
- 11 mm Pile — An 11 mm bristle height helps the roller carry paint effectively while maintaining good control during application.
- Comfortable Handheld Design — The shaped handle, metal frame and hanging hole make the roller easy to hold, use and store between jobs.
