

Kseibi 9" Magnetic Torpedo Level with 3 Vials

Compact leveling with magnetic hold

Kseibi · 302430

Highlights

- Compact 9" / 22 cm torpedo level for easy handling
- Magnetic design helps hold to metal surfaces
- Three vials support quick angle and level checks
- ABS construction balances light weight and durability
- Bright orange and black body is easy to spot
- Ideal for shelving, framing, fittings, and repairs
- Slim profile works well in tight or awkward spaces
- Easy to store in tool bags, drawers, or benches
- Practical choice for trade and DIY use
- Supplied in hanging card packing

Key Features

- Magnetic Convenience — The magnetic feature helps the level stay in place on metal surfaces, making alignment tasks easier and more controlled.
- Three Easy-View Vials — A three-vial layout gives you fast visual reference for common leveling and angle-checking jobs.
- Compact Torpedo Format — At 9 inches / 22 cm, this level is sized for portability and for working in confined spaces.
- Durable ABS Body — Made from ABS material for a practical balance of toughness and low weight in everyday use.
- High-Visibility Finish — The orange and black two-color shell stands out clearly on site, helping you find your tool faster.
