

Kseibi 13-Piece Feeler Gauge Set 0.05-1mm x 100mm

Precise gap checking in a compact folding set

Kseibi · 303715

Highlights

- 13-section feeler gauge for precise clearance checks
- Covers a 0.05-1 mm measurement range
- 100 mm long blades help reach tight spaces
- Polished blades for smooth, consistent feel
- Chrome plated case supports durability and storage
- Folding design keeps blades together and organized
- Clearly marked leaves for quick size selection
- Useful for automotive, machinery and repair work
- Compact format fits easily in a toolbox
- Supplied in blister card packing

Key Features

- 13 Measuring Sections — Includes 13 individual blades to help you check a range of gaps and clearances in one compact tool.
- 0.05-1 mm Range — Covers fine measurement needs across a practical range for adjustment, inspection and maintenance tasks.
- 100 mm Blade Length — Longer blades help you access narrow or recessed areas while maintaining control during use.
- Polished Blade Finish — Polished surfaces support smoother movement between parts for more confident manual checking.
- Chrome Plated Case — The chrome plated case keeps the set compact, protected and ready to carry with your everyday tools.
