

Kseibi 150mm Hand Hacksaw

Compact control for precise cuts

Kseibi · 311105

Highlights

- Compact 150 MM size for easy control
- High quality tool steel construction
- Rigid frame helps support steady cutting
- Black handle offers a secure grip
- Black saw blade included
- Ideal for smaller cutting tasks
- Useful in tight or awkward spaces
- Orange body is easy to spot
- Simple, practical hand tool design
- Suitable for workshop and maintenance use

Key Features

- 150 MM Compact Format — The 150 MM size is easy to manoeuvre and well suited to detailed work or cutting in confined spaces.
- High Quality Tool Steel — Made from high quality tool steel for a durable frame that stands up to regular workshop and maintenance tasks.
- Secure Handle Grip — The black handle is shaped for comfortable hand placement and controlled cutting strokes.
- Rigid Frame Design — The frame holds the blade in position to support straighter, more confident cutting.
- High-Visibility Body — The orange body is easy to identify quickly in a toolbox, drawer or work area.
