

Kseibi 5-Piece Carpenter's Pencil Set with Sharpener

Built for clear jobsite marking

Kseibi · 312700

Highlights

- 5-piece set includes 4 carpenter's pencils and 1 sharpener
- 7 in. 180 mm pencil size suits everyday site use
- Wood pencil body offers a familiar, easy-to-sharpen feel
- Flat carpenter's shape helps stop rolling on surfaces
- Bright orange pencils are easy to spot in the workspace
- Includes black sharpener for quick point renewal
- Useful for marking during measuring, cutting and fitting
- Good choice for carpentry, building and DIY tasks
- Multiple pencils help keep spares close at hand
- Supplied in double blister card packing

Key Features

- Complete 5-piece marking set — Includes four carpenter's pencils and one sharpener, giving you a practical setup for daily marking tasks.
- Standard 7 in. 180 mm length — The pencil size is suited to comfortable handling and routine use on site, in the workshop or at home.
- Wood construction — The wooden body provides a traditional carpenter's pencil feel and can be sharpened to match the marking job.
- High-visibility orange finish — Bright orange pencils are easier to find quickly on benches, in tool bags and around active work areas.
- Sharpener included — The included black sharpener helps you maintain a usable point for clearer, more controlled marking.
