

Kseibi 18mm Auto Retractable Utility Knife

Safe cutting with automatic blade retraction

Kseibi · 313005

Highlights

- Auto-retracting blade design for safer everyday use
- Fitted with an SK5 blade for sharp, reliable cutting
- 18mm utility knife format for general-purpose tasks
- ABS and TPR body balances durability and comfort
- Soft-grip material helps improve handling and control
- Textured slider supports secure blade operation
- Orange and black housing is easy to spot on site
- Contoured shape sits comfortably in the hand
- Ideal for cardboard, packaging and trimming jobs
- Compact design suits toolboxes, benches and vans

Key Features

- Auto-Retracting Action — The blade retracts automatically to help reduce exposure when the cut is finished, supporting safer day-to-day use.
- SK5 Blade — Supplied with an SK5 blade for the sharp cutting performance needed for common workshop, warehouse and site tasks.
- ABS and TPR Construction — The housing combines ABS with TPR to provide a practical mix of durability, grip and user comfort.
- Soft-Grip Handle — Soft-grip material helps the knife feel secure in the hand, improving control during repetitive cutting work.
- 18mm Utility Format — Built in a popular 18mm size, making it well suited to general cutting, trimming and opening applications.
