

Kseibi ProGrip Safety Lock Utility Knife 18mm

Grip Better. Cut Safer.

Kseibi · 313010

Highlights

- 18mm utility knife for general cutting tasks
- Safety lock helps keep the blade securely set
- SK5 blade for dependable cutting performance
- ABS+TPR body balances toughness and grip
- Soft-grip handle improves comfort in use
- Textured housing supports better control
- Segmented blade design for practical jobsite use
- High-visibility orange and black housing
- Suitable for site, workshop and warehouse tasks
- Slim shape stores easily in tool bags and drawers

Key Features

- Safety Lock Mechanism — Helps secure the blade in position for more controlled cutting during everyday work.
- SK5 Blade — Fitted with an SK5 blade for reliable cutting performance across common trade and DIY materials.
- ABS and TPR Construction — Combines a durable ABS body with TPR grip areas for a solid feel and improved handling.
- Soft Grip Comfort — Soft-grip material makes the knife more comfortable to hold during repetitive cutting tasks.
- 18mm Format — The 18mm blade size suits a wide range of general-purpose cutting applications.
