

Kseibi 9mm Snap-Off Utility Knife with SK5 Blade

Compact cutting with a fresh edge on demand

Kseibi · 313015

Highlights

- 9mm utility knife for precise, controlled cutting
- SK5 blade delivers a sharp cutting edge
- Snap-off blade design helps maintain cutting performance
- ABS housing offers lightweight durability
- Slim body suits detail work and general use
- Ridged slider supports easy blade advancement
- Orange and black housing is easy to identify
- Suitable for packaging, trimming and scoring tasks
- Compact format stores easily in bags and pouches
- Practical choice for trade and DIY users

Key Features

- SK5 Snap-Off Blade — Supplied with an SK5 blade for sharp, reliable cutting, with a snap-off format that helps keep a fresh edge available.
- Compact 9mm Format — The slim 9mm design supports accurate control and makes the knife ideal for detailed trimming, scoring and light-duty cutting.
- Durable ABS Body — Constructed from ABS material for a lightweight, practical housing suited to regular workshop, site and warehouse use.
- High-Visibility Housing — The orange and black two-colour body is easy to spot in a toolbox, on a bench or among other tools.
- Simple Blade Control — A ridged thumb slider allows straightforward blade extension and adjustment for controlled day-to-day use.
