

Kseibi 8" Multipurpose Scissors

Everyday Cutting, Workshop Ready

Kseibi · 313180

Highlights

- 8" multipurpose scissors for everyday cutting tasks
- Stainless steel blades for reliable general use
- 220 mm overall length offers control and reach
- Orange and black two-tone handle for easy visibility
- Black TPR grip helps improve comfort in hand
- Suitable for home, office, workshop, and toolbox use
- Shaped finger loops support a secure hold
- Integrated serrated grip section adds versatility
- Practical all-round design for regular use
- Supplied in blister card packing

Key Features

- **Stainless Steel Blades** — Made with stainless steel blades for dependable cutting performance and durability in everyday use.
- **Practical 8" Size** — The 8" 200 mm format gives a useful balance of manoeuvrability and cutting reach for general tasks.
- **Comfort-Focused Handle** — The two-tone handle combines orange plastic with black TPR for a comfortable, more secure grip.
- **Multipurpose Utility** — Designed as an all-round scissor for varied cutting jobs at home, in the office, or in the workshop.
- **Added Grip Detail** — The visible serrated grip section between the handles adds extra control for awkward materials and handling.
