

Kseibi 8-Piece Dowel Center Set

Transfer dowel positions with confidence

Kseibi · 314205

Highlights

- 8-piece set for dowel hole position transfer
- Pointed centers help mark matching hole locations
- Designed for accurate wood joinery layout
- Helps reduce guesswork before drilling mating holes
- Useful for furniture, cabinets and repair work
- Cup-style bodies fit into drilled dowel holes
- Metal construction with machined finish
- Compact pieces are easy to store and handle
- Speeds up alignment when joining two workpieces
- Practical accessory for DIY and trade woodworking

Key Features

- Precise Transfer Marking — Raised center points create a visible mark on the mating surface so you can position matching dowel holes more accurately.
- 8-Piece Set — Includes 8 individual dowel centers, giving you a practical set for repeated layout work and common joinery tasks.
- Made for Wood Joinery — Ideal for aligning boards and panels when building furniture, shelving, cabinets and other dowel-based assemblies.
- Simple to Use — Insert the center into the drilled hole, align the second workpiece and press to transfer the hole location quickly.
- Durable Metal Build — The metallic, machined construction is suited to regular workshop use and repeated fitting into drilled holes.
