

Kseibi EVA Foam Knee Pads

Cushioned comfort for every kneeling job

Kseibi · 402005

Highlights

- ❑ Made from black EVA for lightweight knee cushioning
- ❑ Useful for flooring, decorating and fitting jobs
- ❑ Helps reduce pressure when kneeling on hard surfaces
- ❑ Foam construction offers practical all-day comfort
- ❑ Suitable for trade, DIY, gardening and maintenance tasks
- ❑ Black finish gives a clean, professional appearance
- ❑ Elastic straps help keep the pads securely in place
- ❑ Simple protective solution for frequent kneeling work
- ❑ Curved shape supports comfortable movement while working
- ❑ Easy to wear when moving between kneeling and standing

Key Features

- ❑ EVA Foam Construction — Made from black EVA foam to provide lightweight cushioning for repeated kneeling tasks.
- ❑ Comfort on Hard Surfaces — Helps create a softer barrier between your knees and hard ground, floors or work areas.
- ❑ Secure Strap Fit — Elastic straps shown in the image help hold the knee pads in place as you move.
- ❑ Flexible Everyday Use — Well suited to decorating, flooring, general maintenance, gardening and DIY projects.
- ❑ Low-Bulk Protection — Foam construction offers straightforward knee protection without the feel of heavier alternatives.
