

Kseibi 2-Piece Tie Down Strap Set 25mm x 2.5m

Secure loads with simple, reliable control

Kseibi · 403005

Highlights

- 2-piece tie down strap set for transport and storage
- Each strap measures 25mm x 2.5m
- 200daN load capacity for everyday securing tasks
- Made with polyester webbing
- Black strap finish for a clean, practical look
- Silver metal hardware for fastening and tensioning
- Helps secure tools, gear and bulky items in transit
- Reinforced stitched ends visible on each strap
- Rolls up compactly for neat storage
- Useful for workshop, garage, van or trailer setups

Key Features

- 2-Piece Set — Includes two tie down straps, making it easy to secure loads at multiple points or keep one ready as a spare.
- Polyester Webbing — Constructed from polyester webbing for a strong, flexible strap that is practical for repeated everyday use.
- 25mm x 2.5m Size — A useful strap size for wrapping, bundling and fastening a variety of tools, equipment and stored items.
- 200daN Load Capacity — Rated load capacity provides clear guidance for suitable day-to-day securing applications.
- Compact and Easy to Store — The straps coil neatly when not in use, helping keep transport accessories organized in the workshop or vehicle.
