

Kseibi 2-Piece Ratchet Tie Down Set 25mm x 2.5m

Secure loads with controlled ratchet tension

Kseibi · 403006

Highlights

- ❑ 2-piece ratchet tie down set for load securing
- ❑ Each strap measures 2.5 m in length
- ❑ 25 mm strap width for practical everyday use
- ❑ Ratchet mechanism helps tighten with control
- ❑ Polyester webbing for durable repeated use
- ❑ Maximum load rated at 200 kg
- ❑ Suitable for transport, storage and workshop tasks
- ❑ Compact size helps with easier handling
- ❑ Metal ratchet hardware for dependable tensioning
- ❑ Supplied in blister card packing

Key Features

- ❑ Ratchet Tensioning — Built with a ratchet mechanism to help you tighten the strap securely and maintain controlled tension on the load.
- ❑ Polyester Webbing — Made from polyester webbing for a durable, flexible strap that suits regular transport and storage jobs.
- ❑ Practical Strap Size — At 25 mm wide and 2.5 m long, each strap offers a useful balance of coverage, handling and easy routing.
- ❑ Light-Duty Load Securing — Rated for a maximum load of 200 kg, making the set suitable for general light-duty tie-down applications.
- ❑ 2-Piece Set — Includes two tie down straps, giving you a convenient setup for securing one load at multiple points.
