- 225 daN load capacity
- Durable polyester webbing
- Galvanized ratchet mechanism
- Black hook end fittings
- Silver strap with orange stitching
- Quick tensioning for secure loads
- Suitable for transport and storage tasks
- Rolls up neatly after use

Key Features

- Polyester Webbing — Made with polyester webbing for a durable, flexible strap that handles routine cargo securing tasks.
- Galvanized Ratchet — The galvanized ratchet helps apply tension smoothly and offers dependable operation for repeated use.
- Hook End Design — Black hooks at each end make it easy to attach the strap to suitable anchor points quickly.
- Practical 2-Piece Set — Supplied as a matching two-piece set so you can secure loads more evenly and efficiently.
- Everyday Load Restraint — With a 225 daN load capacity, it is well suited to general transport, storage and workshop tie-down needs.
