

Kseibi 4-Piece Ratchet Tie Down Set 25mm x 4.5m

Secure loads fast and with control

Kseibi · 403030

Highlights

- 4-piece ratchet tie down set for load restraint
- Each strap measures 25mm x 4.5m
- Polyester webbing for flexible everyday use
- Galvanized ratchet hardware for durability
- Black hooks for quick attachment
- Load capacity rated at 225daN
- Silver strap with orange stitching
- Helps reduce load movement during transit
- Suitable for transport, storage and workshop use
- Compact set for van, trailer or garage

Key Features

- 4-piece set — Includes four ratchet tie down straps, giving you multiple securing points for wider, longer or awkward loads.
- 25mm x 4.5m size — Each strap provides practical length and manageable width for general cargo restraint and storage applications.
- Polyester webbing — Made from polyester webbing for a strong, flexible strap that is easy to handle and position around loads.
- Galvanized ratchet mechanism — The galvanized ratchet helps deliver controlled tightening and dependable performance in regular use.
- Hooked end fittings — Black hooks on the strap ends make it easier to anchor to suitable fixing points during setup.
