

Kseibi Folding Mobile Steel Storage Rack - Black

Foldable storage that moves with you

Kseibi

Highlights

- Foldable steel rack for flexible storage
- Mobile design with casters for easy repositioning
- Open shelves keep stored items visible
- Black finish suits workshops and utility spaces
- Available in 3-tier, 4-tier and 5-tier options
- 4-tier model measures 71.5x34x127 cm
- Compact width helps fit tighter spaces
- Multi-tier layout makes better use of height
- Good for tools, supplies and household storage
- Quick solution for temporary or permanent organisation

Key Features

- Foldable frame — The rack is designed to fold, making it easier to store away or free up floor space when it is not needed.
- Mobile storage — Built with casters, the unit can be rolled into position so your storage stays close to the task at hand.
- Steel construction — The steel build gives the rack a durable, practical feel suited to workshops, garages and utility areas.
- Multi-tier organisation — Multiple shelf levels help separate tools, supplies and equipment for tidier, easier-to-manage storage.
- Choice of sizes — Available in 3-tier, 4-tier and 5-tier versions, so you can match the rack to your space and storage needs.
