

Kseibi PROGRIP Adjustable Wrench

Strong grip for everyday fastening

Kseibi

Highlights

- ❑ Forged steel body for dependable durability
- ❑ Adjustable jaw suits a range of fastener sizes
- ❑ Polished head helps deliver a clean working finish
- ❑ Black surface finish for a practical, professional look
- ❑ PROGRIP handle improves comfort and control
- ❑ Black TPR grip areas help provide secure handling
- ❑ Available in 6in, 8in, 10in and 12in sizes
- ❑ Suitable for repair, maintenance and installation tasks
- ❑ Hanging hole in handle for easy storage
- ❑ Ideal for toolboxes, workshops and site kits

Key Features

- ❑ Forged Steel Construction — Built from forged steel for strength and durability in routine fastening, repair and maintenance work.
- ❑ Adjustable Jaw Design — Handles different nut and bolt sizes with one tool, helping reduce the number of spanners you need to carry.
- ❑ PROGRIP Handle — Orange and black handle with black TPR grip zones offers a more secure and comfortable hold during use.
- ❑ Polished Head Finish — The polished head pairs with the black surface for a smart, practical finish that looks at home in any toolkit.
- ❑ Multiple Size Options — Choose from 6 inch 150 mm, 8 inch 200 mm, 10 inch 250 mm or 12 inch 300 mm to suit the job.
