

Kseibi Aluminum Multi-Purpose Ladder

One ladder, multiple working positions

Kseibi

Highlights

- Multi-purpose folding ladder for varied access tasks
- Aluminium finish for practical everyday durability
- Available in 165 cm and 217 cm sizes
- 4x3 steps option available
- 4x4 steps option available
- Articulated hinge design supports multiple positions
- Compact foldable format for easier storage
- Wide stance design shown for balanced setup
- Protective feet caps help improve floor contact
- Suitable for contractors, maintenance, and home use

Key Features

- Multi-position design — Articulated hinged sections allow the ladder to be set up for different access needs and working environments.
- Aluminium construction — Made with an aluminium finish for a practical balance of durability and manageable handling.
- Choice of sizes — Available in 165 cm and 217 cm options so you can choose the format that best suits your tasks.
- Foldable for storage — The ladder folds down into a more compact shape for easier transport and space-saving storage.
- Stable contact points — Feet with protective end caps help provide secure contact with the ground during setup and use.
