

Kseibi Ceiling Brush

Wide coverage for ceiling painting

Kseibi

Highlights

- Designed for ceilings and other broad painted surfaces
- Available in 40 x 140mm and 70 x 170mm sizes
- Wide brush face helps cover large areas efficiently
- Suitable for decorators, maintenance and DIY use
- White bristle configuration available
- PET + white bristles on the 70 x 170mm variant
- Chrome-plated ferrule on the 70 x 170mm variant
- Orange plastic handle on the 70 x 170mm variant
- Handle includes hanging hole for easy storage
- Thick brush profile supports strong paint pickup

Key Features

- Wide-area coverage — The broad brush head is made for ceilings and other large surfaces, helping you spread paint across more area with each pass.
- Two size options — Available in 40 x 140mm and 70 x 170mm sizes, so you can match the brush to the scale of the job.
- Bristle options by variant — Variant specifications include white bristles and PET with white bristles, giving practical options across the range.
- Durable brush construction — The larger variant combines PET bristles, a plastic handle and a chrome-plated ferrule for dependable decorating use.
- Easy to store — The handle shown includes a hanging hole, making it simple to keep the brush tidy and within reach between tasks.
