

KSEIBI Nickel-Plated Combination Pliers

Grip, bend and cut with one tool

Kseibi

Highlights

- ❑ Made from durable #45 carbon steel
- ❑ Nickel-plated head for a hard-wearing finish
- ❑ Serrated combination jaws improve grip
- ❑ Built-in cutter for added versatility
- ❑ Suitable for gripping, bending and cutting
- ❑ Comfortable black-and-orange handles
- ❑ Classic all-purpose combination plier design
- ❑ Ideal for workshop, garage and home repairs
- ❑ Available in 160 mm, 180 mm and 200 mm
- ❑ Supplied in hanging card packing

Key Features

- ❑ Durable carbon steel build — Made from #45 carbon steel for reliable everyday performance across general repair and maintenance tasks.
- ❑ Nickel-plated head — The nickel-plated head provides a hard-wearing surface finish suited to regular workshop and home use.
- ❑ Serrated combination jaws — Serrated jaws help improve grip on materials when holding, twisting or bending during practical jobs.
- ❑ Built-in cutting edge — An integrated cutter adds convenience when you need to move between gripping and cutting with one tool.
- ❑ Choice of sizes — Available in 160 mm, 180 mm and 200 mm to suit different hand sizes, tasks and working preferences.
