

Kseibi ProGrip Crown Scraper

Comfort grip, clean scraping

Kseibi

Highlights

- High quality tool steel construction
- Mirror finish for a smooth blade surface
- ProGrip handle for secure control
- Textured grip zones visible on handle
- Available in 10 widths from 1" to 10"
- Ideal for scraping, patching and prep work
- Wide blade options help cover larger areas
- Narrow sizes suit detail and tight spaces
- Selected variants use a #45 carbon steel blade
- Packed in a label white box

Key Features

- High quality steel build — Made from high quality tool steel for dependable day-to-day scraping, smoothing and preparation work.
- Mirror-polished blade surface — The mirror finish gives the blade a smooth surface that supports clean, controlled movement across materials.
- Comfortable ProGrip handle — The ergonomic black and orange handle shown in the image is shaped for a steady hold and confident pressure.
- Wide size range — Available in widths from 1 inch 25 mm to 10 inch 250 mm, so you can choose the right blade for fine work or broad coverage.
- Suitable for varied prep tasks — Well suited to scraping away residue, spreading filler and preparing surfaces for decorating, repair or refinishing.
