- Suitable for workshop and home use
- Available in 6 inch, 7 inch and 8 inch sizes
- Designed for comfortable everyday handling
- Hanging card packed for easy display
- Kseibi branded professional-style hand tool

Key Features

- Durable steel construction — Built from #45 carbon steel for dependable strength in regular cutting applications.
- Nickel-plated finish — The nickel-plated surface helps provide a clean, durable finish on the tool head.
- Angled cutting head — The diagonal jaw shape supports controlled side cutting and easier access in tighter areas.
- Comfort grip handles — Ergonomic black and orange handles are shaped for a secure, comfortable hold during use.
- Choice of sizes — Available in 6 inch 160 mm, 7 inch 180 mm and 8 inch 200 mm options to suit different tasks.
