- Available in 100CM, 120CM and 150CM sizes
- Clean, practical design for tidy clothing storage

Key Features

- Dual Hanging Rails — Two rail levels help you organise more clothing in one footprint, making it easier to separate outfits, categories or frequently worn items.
- Metal Frame Construction — The rack features a sturdy metal structure with a black finish for reliable everyday use and a clean, understated look.
- Freestanding Flexibility — Place it where extra garment storage is needed most, from bedrooms and laundry areas to showrooms and retail displays.
- Open Storage Design — With no doors or panels in the way, garments stay visible, accessible and easier to organise day to day.
- Choice of Sizes — Available in 100CM, 120CM and 150CM options so you can match the rack to your room size and storage needs.
