

Kseibi Wooden Dowel Pins

Strong alignment for everyday wood joints

Kseibi

Highlights

- Wooden dowel pins for furniture, cabinets, and general joinery
- Ribbed body helps spread glue through the joint
- Chamfered ends support easier insertion into drilled holes
- Helps align boards, panels, and frames accurately
- Suitable for reinforcing common woodworking joints
- Available in 6 mm, 8 mm, and 10 mm sizes
- 6 mm variant supplied in a 50-piece pack
- 8 mm variant supplied in a 45-piece pack
- 10 mm variant supplied in a 30-piece pack
- Card-packed for tidy storage and easy selection

Key Features

- Ribbed Pin Design — The grooved body shown in the image helps glue distribute more evenly through the joint for cleaner assembly.
- Chamfered Ends — Bevelled ends help guide each dowel into pre-drilled holes, making fit-up quicker and more controlled.
- Three Size Options — Choose from 6 mm, 8 mm, or 10 mm dowel sizes to suit lighter work, general assembly, or larger joints.
- Pack Quantities Matched to Size — Supplied as 50 pieces in 6 mm, 45 pieces in 8 mm, and 30 pieces in 10 mm for practical workshop use.
- Made for Wood Joinery — Ideal for aligning and reinforcing joints in furniture, shelving, cabinetry, frames, and repair work.
