

Kseibi Steel Drain Cleaner with Black Handle

Manual drain clearing made simple

Kseibi

Highlights

- Manual drain cleaner for clearing common pipe blockages
- Steel construction for dependable everyday use
- Galvanized S-shaped tube finish
- Black plastic handle for controlled operation
- Available in 3M x 5.5mm, 5M x 9mm and 10M x 9mm
- Flexible cable helps work through bends
- Suitable for sinks, waste pipes and drains
- Compact coiled form for tidy storage
- No power required for use
- Practical choice for contractors and DIY maintenance

Key Features

- Steel Cable Construction — Made from steel for a robust, practical tool suited to repeated drain maintenance tasks.
- Galvanized S-Shaped Tube Finish — The galvanized S-shaped tube construction supports flexibility and durability during manual drain clearing.
- Comfortable Manual Control — A black plastic handle gives you a secure grip for feeding and guiding the cable through the pipe.
- Size Options for Different Jobs — Choose from 3M x 5.5mm, 5M x 9mm or 10M x 9mm to match shorter runs or longer reaches.
- Compact, Ready-to-Use Design — The coiled cable stores neatly and is easy to carry, making it convenient for routine service and repairs.
