

# Kseibi Dual-Purpose Aluminium Step & Extension Ladder

Two ladder modes, one practical solution

Kseibi

## Highlights

- Dual-purpose design works as a step ladder or extension ladder
- Available in 166.5 cm, 195 cm, 219 cm and 278 cm sizes
- Choose from 6, 7, 8 or 10-step configurations
- Aluminium construction for easy handling and transport
- Freestanding A-frame mode for flexible positioning
- Straight ladder mode for direct access and extra reach
- Wide rectangular rungs help provide secure footing
- Braced frame design supports stable everyday use
- Protective feet shown for contact with the ground
- Suitable for trade, maintenance and home improvement tasks

## Key Features

- 2-in-1 Ladder Format — Converts between a self-supporting step ladder and a straight extension ladder for more working flexibility.
- Multiple Size Options — Available in 166.5 cm, 195 cm, 219 cm and 278 cm versions to suit different access requirements.
- Step Count Choices — Select from 6, 7, 8 or 10 steps depending on the variant and the height you need.
- Aluminium Build — The aluminium finish variants offer a practical balance of durability and easier handling during setup and transport.
- Stable Working Design — The image shows wide rails, bracing bars and protective feet that support confident positioning in both modes.
