

KSEIBI Honeycomb Reflective Tape Roll

See it sooner, mark it smarter

Kseibi

Highlights

- Honeycomb reflective surface for improved visibility
- Long 45.7 m roll suits extended marking jobs
- Ideal for vehicles, barriers, tools and work areas
- Available in 5 cm x 45.7 m and 1.24 m x 45.7 m
- Bright reflective finish helps define edges clearly
- Flexible roll format is easy to cut to length
- Suitable for safety marking and identification
- Clean, professional look for workshop applications
- Helps highlight hazards in low-light conditions
- Practical choice for maintenance and site use

Key Features

- Honeycomb Reflective Pattern — The visible honeycomb-style surface is designed to catch light and make marked areas easier to notice.
- Long Continuous Roll — Each option comes in a 45.7 m roll, giving you extended coverage for multiple applications or longer runs.
- Two Size Options — Choose from 5 cm x 45.7 m for narrower markings or 1.24 m x 45.7 m for wider coverage needs.
- Versatile Safety Marking — Useful for vehicles, barriers, equipment, storage areas and other surfaces where visibility matters.
- Easy to Trim and Apply — The tape roll format makes it simple to measure, cut and apply the amount needed for the task.
