

Kseibi Household Aluminium Step Ladder

Lightweight reach for everyday jobs

Kseibi

Highlights

- Aluminium finish for lightweight everyday use
- Available in 3 to 8-step versions
- Size options from 116 cm to 225.5 cm
- Overall dimensions from 123 cm to 230 cm
- Step ladder design for stable access
- High handrail supports confident climbing
- Wide steps help with standing comfort
- Rear support frame adds working stability
- Protective feet help grip the floor
- Ideal for cleaning, painting and maintenance

Key Features

- Lightweight Aluminium Build — Made with an aluminium finish for a practical balance of durability and easy handling around the home or jobsite.
- Multiple Height Options — Available in 3, 4, 5, 6, 7 and 8-step versions, so you can choose the ladder that suits your reach requirements.
- Comfortable Step Design — The ladder shown features broad steps that provide a more secure and comfortable footing during repeated up-and-down use.
- Supportive Handrail — A tall top handrail offers an extra point of support when climbing, standing and descending.
- Versatile Everyday Access — Well suited to decorating, cleaning, storage access and general maintenance tasks where safe, convenient height is needed.
