

Kseibi Industrial F-Clamp

Reliable holding for workshop and site work

Kseibi

Highlights

- Available in sizes from 50 x 150mm to 120 x 1000mm
- Nickel-plated body for durable everyday workshop use
- Zinc-plated thread bar supports smooth adjustment
- Black wooden handle offers controlled hand tightening
- F-style clamp design suits wood, metal and assembly tasks
- Smaller sizes use 4.5 x 14.5 mm arm dimensions
- Larger sizes use 6.5 x 28.5 mm arm dimensions
- Range includes high carbon steel and tool steel variants
- Sliding arm helps speed up clamp positioning
- Protective jaw faces shown for stable contact on workpieces

Key Features

- Wide size selection — Choose from eight sizes, covering compact 50 x 150mm clamping through to long-reach 120 x 1000mm work.
- Plated metal construction — A nickel-plated body with zinc-plated thread bar helps the clamp stand up to regular workshop handling.
- Controlled screw action — The threaded spindle and wooden handle allow steady, manual pressure when aligning or securing materials.
- Built for varied tasks — Suitable for holding components during gluing, assembly, positioning, fastening and general bench work.
- Two arm formats — Smaller variants use 4.5 x 14.5 mm arms, while larger versions use 6.5 x 28.5 mm arms for broader applications.
