

KSEIBI Magnetic Aluminum Spirit Level with 3 Vials

Magnetic accuracy for everyday layout work

Kseibi

Highlights

- Magnetic base helps hold the level on metal surfaces
- Three vials for quick leveling and alignment checks
- Aluminum alloy body for durable everyday use
- Natural aluminum finish with orange plastic details
- Suitable for installation, maintenance and workshop tasks
- Straight profile sits cleanly against edges and surfaces
- Available in sizes from 12 in / 300 mm to 40 in / 100 cm
- Easy-to-read vial windows visible from different positions
- Protective end caps help with daily handling
- Practical choice for tradespeople and DIY users

Key Features

- Magnetic hold — The magnetic design helps the level stay in place on metal surfaces, making positioning and checking easier during installation work.
- Three-vial layout — Three integrated vials provide quick visual reference for common leveling and alignment tasks in different working positions.
- Aluminum alloy body — Made with an aluminum alloy body for a durable, work-ready construction suited to regular site and workshop use.
- High-visibility detailing — Natural aluminum is paired with orange Pantone 158C plastic parts for a clear, easy-to-spot tool finish.
- Multiple size options — Choose from 12 in / 300 mm, 16 in / 40 cm, 20 in / 50 cm, 24 in / 60 cm, 32 in / 80 cm, and 40 in / 100 cm sizes.
