

KSEIBI Ecopro Measuring Tape

Everyday measuring made simple

Kseibi

Highlights

- Available in 3 x 16, 3 x 19, 5 x 19, 7.5 x 25 and 10 x 25 sizes
- Durable plastic shell for everyday handling
- Steel tape blade for reliable measuring
- Selected variants feature metric and imperial graduations
- 3 x 19 variant features a metric white blade
- Bright orange casing is easy to spot
- Compact shape fits neatly in tool bags and boxes
- Useful for site work, workshops and DIY tasks
- Wrist strap visible for easy carrying
- Simple, practical tape for routine measuring jobs

Key Features

- Range of sizes — Choose from 3 x 16, 3 x 19, 5 x 19, 7.5 x 25 and 10 x 25 options to match short checks or longer measuring tasks.
- Steel tape blade — A steel tape blade provides the durability and stiffness needed for everyday measuring, marking and layout work.
- Readable white blade — Listed variants include white blades with metric or metric and imperial graduations for clear, fast reference while you work.
- Protective plastic shell — The plastic shell helps shield the tape in regular use, making it a practical choice for toolkits, vans and busy work areas.
- High-visibility casing — The orange housing stands out against other tools and surfaces, helping you find your tape measure quickly when moving between tasks.
